MATT

MATERIA

*Nella cucina, la materia
diventa la protagonista.
Non è solo da guardare:
è da vivere,
... da toccare*

*In the kitchen, matter
becomes the real muse.
Not just for your eyes– but
For losing yourself in...
And touching it over
your hands*

*Dans une cuisine, la matière
devient le véritable protagoniste
Un espace pas simplement à
admirer – également
À vivre... Et à toucher*
